Champion Women's Group Marks 50th Anniversary

On July 14, 1915, the first meeting of the Champion Branch of the Women's Institute was held in Miller's Hall. Mrs. George Edwards was the first president.

On July 14, 1965, the Champion Branch of the Women's Institute celebrated its 50th anniversary in the Champion Community Hall. Invitations were sent to everyone who had been members of this Branch of the Women's Institute, and it was a wonderful afternoon of renewing friendships and talking about old times.

The entertainment began with a piano solo, "In the Sweet Bye and Bye" by Mrs. Milford Sisson. Mrs. Ed Knudston gave a humorous recitation. Mrs. John Hunziger accompanied at the piano by her mother, Mrs. Tony Bach, sang "Mother Machree" and "Memories".

Mrs. F. L. Little read a letter from Mrs. G. Newman, District Director, congratulating the Branch, and encouraging the members to go on with their good work. She also had sent a Golden Anniversary Certificate, which Mrs. Little presented to the President, Mrs. Andrew Dunipace.

Mrs. Little then read the History of the Champion Branch of the Women's Institute. This had been compiled from the minute books, kept since that first meeting in 1915. It was interesting to hear that from the very first the rest room was the subject of much discussion. The first janitor appointed to take care of the fires, etc., in the rest room was Glenn Clever at a salary of $2.00 per month. The rest room was located in Mrs. Therriault's store. It was located in various places following that. At present it is in the Village Office building.

On the numerous tea tables were vases of yellow roses. Mrs. Knudston and Mrs. Chamberlin shared the honors at the tea and coffee urns. A variety of delicious sandwiches, pickles and dainty sweets were served. The anniversary cake decorated in the Institute's colors of pink and white was enjoyed by everyone.

At the close of the afternoon Mrs. Peter Patterson was presented with a gift. She was the oldest lady present. Mrs. Frank Jones was honored as the lady travelling the greatest distance.

Everyone expressed their delight in being able to be present at such a wonderful reunion.

Among those present who had travelled some distance to be present were: Mrs. Charles McLean, Mr. and Mrs. Milt Moffatt, Mrs. George Campbell, Mrs. R. Schultz, Mrs Ed Griffin all of Lethbridge, Mrs. Ed Knudston, of Raymond, Mrs. Tony Bach, Mrs. Irl Ditto and Mrs. Dewilla Anderson of Calgary, Mrs. Frank Jones of Winlock, Washington, U.S.A. and Mr. and Mrs. R. I. Baker. Mr. Baker, for whom the Coaldale High School was named, was at one time principal of the Champion Consolidated School

Lynn Drummond Honored At Bridal Shower

Seventy friends and relatives honored Miss Lynn Drummond at a miscellaneous bridal shower on Friday evening, July 2 at the Vulcan United Church.

A pink umbrella and pink and white streamers, bells and flowers were used for pretty decorations.

Mrs. Doris Orchard presented a corsage to the guest of honor, and Mrs. Doreen Drummond, mother of the bride-to-be, and Mrs. Ila Lundgren, future mother-in-law, also received corsages.

Mrs. Carrie Graham introduced a sing-song which was led by Mrs. Alice Voisey dressed up as "Cousin Clem" and Mrs. Laura Houlton as Clem's wife. This brought much hilarious laughter from everyone present.

In more serious vein followed two lovely songs sung by Miss Linda Voisey accompanied at the piano by Mrs. Edo Andrews.

"Cousin Clem" then pushed a wheelbarrow loaded with gifts into the room and made the presentation to Lynn on behalf of her many friends.

During the opening of the gifts, Miss Mary McInenly pinned the bows from the parcels on to a wide brimmed hat which was later modelled by Lynn.

After the gifts were displayed, the guest of honor graciously thanked her friends and invited each to a trousseau tea to be held at her farm home July 11.

Miss Marilyn McKay was in charge of the guest book.

A delicious lunch served by the hostesses brought the evening to a close.

Shower Honors Recent Bride

Forty guests and relatives honored Mrs. Kenneth Orchard (nee Betty Brown of Guelph, Ont.) at a miscellaneous shower on June 23rd at the home of Mrs. Carson McKay. Pink and white streamers and pink candles were used as decorations for the occasion.

Each guest signed a guest book and wrote their names on a clothes pin and then pinned on to a laundry bag which was presented to the bride by Mrs. Doreen Drummond. Mrs. Rita Thomas gave a flower contest which was won by Mrs. Gail Walker. Mrs. Laura Houlton presented the many gifts to the guest of honor with best wishes and welcomed her to the community. Mrs. Ruth Orchard, Mrs. Elaine Brown, Mrs. Doris Orchard, Mrs. Mary Scott and Mrs. Kay Chapman assisted in the opening of the gifts. Mrs. Mabel Rea pinned the bows and ribbons on to a hat which was then modelled by the bride.

First Swimming Class Tests Now Completed

The first session of Red Cross Swimming Lessons was completed on Saturday, July 17. The passing totals of those tested are: 14 Beginners, 10 Juniors, 11 Intermediates, and 2 Seniors. Lessons again have started Monday and a Bronze Medallion class will be held during the next two weeks. The lifesaving course will be taught by Allan Hubbard.

A swim meeting was held in Claresholm last Friday and a schedule of swim meets was finalized. The team will be going to Claresholm August 1, Turner Valley August 8, and High River August 29. Vulcan will be playing host to the three other area teams on August 22. A letter concerning the swim team, its schedule, and a request for the assistance of parents will soon be sent out.

The Mile Swim Award is also advancing well with four qualifying swimmers last Thursday and two again on Tuesday. David Warren, Gordon Nolan, Maureen Giles, Roger McInenly, Bruce Stoddard, and Marylou Giles all turned in times for the one mile swim of less than 45 minutes. This award is offered by the Alberta Safety Council and it has no age requirement nor stroke restriction. Interested swimmers may apply for the swim at the pool office during any operating hour.

Swimmers Train For Inter-town Competition

The above window display of a sign and trophy but minus Winky Giles and Gordon Nolan, is presently in Mitchell's Pharmacy and is giving emphasis to the swim competitions which are coming up between foothills towns.

This swim award is the High River Competition Swim Challenge Trophy and was put up for competition last year by P. C. Dougherty and Sons and Gordon's Grocery of High River. The Vulcan swim team captured it last year with a top aggregate score and Claresholm, Turner Valley, High River and Vulcan will compete at a swim meet this summer to determine its resting place for another season.

Winky and Gordon are on the swim team and recently completed a mile swim, 78 lengths of the pool, so training is serious.

Vulcan Golfers Win At Turner Valley Tournament

Turner Valley golf tournaments have always been popular with Vulcan and district golfers, both in numbers attending and in prizes won. This year was no exception as Vulcan was well represented in both the Ladies' Invitational and the Open Tourney held last week and prize winners were numerous.

In the Men's Championship it was again Ray Wellman setting the pace with a 64 followed by Wally Thrun of High River with 66 and Gord Stauffer of Turner Valley with 68.

Other Vulcan winners in order of flights were: Carl Nelson, Harris Matlock, Bud Haverty, Vern Haga, Dah Watson, Ross Walker, Ernie Bowie and Earl Ericksen.

One interesting aspect of Sunday's golf was that Ed Wellman of Blackie at the age of 78 shot a neat 75 to win second prize in the men's second flight.

Turner Valley ladies kept the prizes in their championship flight with Vi Bird the winner followed by Sheila Hedley and S. Jesperson. But Vulcan won the following two flights with Mary Haga and Hannah L. Matlock getting the honors.

In a very active and spirited Horse Race it was Ray Wellman rewarding his backers with a win over nephew Gord Stauffer of the Valley, while Wally Thrun of High River picked up the show spot.

* * *

At the Turner Valley Ladies Invitational Tourney held during the week it was Ethel Banks of Vulcan winning the championship flight after a playoff with Sheila Hedley of Turner Valley. Dora Willard of Vulcan won the first flight and Mary Haga won the fourth.

Leth. Lady Wins Annual Vulcan Golf Tourney

The Ladies of the Vulcan Golf and Country Club held their annual Golf Tournament, Monday, July 19.

The Championship Flight was won by Katie Wilson of Lethbridge; 2nd Thelma Haverty; 3rd Pearl Lomheim of High River.

First Flight— Gail Walker, first; Isabel Katona, Lethbridge, second; and June Wellman third.

Second Flight— Betty Hagg, first; Alice Thurber, second; and Edith Ogden, High River, third.

The Hidden Hole was won by Lola Knapp, Putting contest by Dora Willard and door prize by Gail Walker.

Noon luncheon and afternoon tea was served and a good day was enjoyed by all.

Kirkcaldy Couple Wed At Kamloops

A quiet wedding was solemnized on June 30 in Kamloops United Church when Miss Joanne Mary Carnegie of Kirkcaldy, Alta. exchanged marriage vows with Robert Elias Cummings of Kirkcaldy in a double-ring ceremony with Rev. Jackson W. Strapp officiating. The bride, given in marriage by her brother Buster Carnegie of Edmonton, wore a white linen suit, white hat and white accessories complemented by a corsage of pink carnations. Mr. and Mrs. Stanley Robertson of Kamloops were the only attendants. Mrs. Robertson chose a pink suit with white accessories and carried white flowers.

Reception for 20 guests was held at the La Gondola. Out of town guests were from Vancouver, Calgary, and Edmonton.

The bride and groom motored to Kirkcaldy and Calgary on their honeymoon to visit their parents, Mrs. Elva Carnegie, Mr. and Mrs. Arthur Turley and other relatives. They are residing in Kamloops where the groom is employed.

Regular Meeting Reid Hill W.I.

The July meeting of the Reid Hill W.I. was held Thursday, July 8, at the home of Mrs. C. L. Kuykendall, with Mrs. Agnes McKay as assistant hostess. The punctuality draw was won by Mrs. McKay.

Mrs. John French, president, was in the chair and conducted the meeting assisted by secretary Mrs. Jack Marshall. The treasurer's report was given by Mrs. Kuykendall.

Correspondence was light and dealt with routine matters. Ways and means of adding to the treasury were discussed, but plans were tabled until the next meeting. A white elephant sale will be a feature of the August meeting when members bring baking, produce or any item that is saleable.

Roll call was answered with, Out of the Mouths of Babes and Sucklings and proved most amusing. Several games of bingo were played during the social period. To conclude the afternoon's program a most delicious lunch was served by the hostesses.

The British Isles are a part of the European continental shelf.

July Bride-elect Honored At Open Shower

A number of friends of Miss Kathleen Knive, daughter of Mr. and Mrs. Andy Knive, bride-elect of the month, gathered in the United Church parlors Saturday evening, July 10, to honor her at a miscellaneous shower. Hostesses for the occasion were Mrs. Vic Fulton, Mrs. Neil Giles and Mrs. Edith Dunham.

The bride-elect was seated before a beautifully decorated table featuring pink and white bouquets of summer flowers.

A program of contests and games was enjoyed, after which little Marla Franks brought in a gaily decorated basket piled high with gifts. Mrs. Margaret Hanna, on behalf of those assembled presented Kathleen with the colorfully wrapped gifts and expressed the best wishes of all. Assisting the bride to open her many presents were her mother Mrs. A. Knive and the mother of the groom-elect Mrs. B. Ingraham. Mrs. Marion Flanders of High River, Mrs. Louise Schmidt, Mrs. Margaret Lomheim and Mrs. Richards, aunt of the guest of honor, were seated at the bride's table.

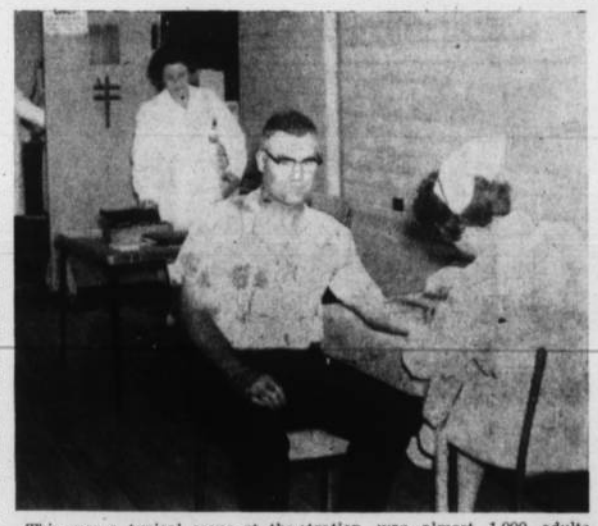

Kathleen very graciously thanked her friends for the many lovely and useful gifts for her new home, and for their good wishes.

To conclude the evening's program a dainty lunch was served by the hostesses.

* * * *

A personal shower was held for Kathleen, at the home of Mrs. Brian Ericksen, recently, when guests were former school mates of the bride-elect. A happy social evening was enjoyed by all, and serving of a dainty lunch brought the program to a close.

The face fly, a major pest of cattle in North America was found in Manitoba this fall for the first time.

This was a typical scene at the Vulcan Elementary School last week as the Christmas Seal Free X-ray and Tuberculin Testing Unit was in operation at the auditorium. Although the count for pre-registration was almost 1,000 adults, holidays and other activities reduced the actual number going through the clinic to about 600. The clinic was sponsored in Vulcan by the Kinsmen Club.

Would Ensure Steady Flow

Little Bow Dam Would Be Federal PFRA Project

A meeting to discuss water problems on the Little Bow River was held at the county office Tuesday afternoon, July 20, with A. G. Underhill, District Engineer, Provincial Water Resources Branch, Calgary, and Ray Speaker, MLA for Little Bow in attendance.

R. S. Irwin acted as chairman of the meeting, which was arranged by the County of Vulcan Agricultural Service Board. Members of the Service Board and representatives of farmers whose lands border the Little Bow in both the Carmangay and Vulcan districts were present.

The general complaint was that in June, July and August the river would occasionally be absolutely dry for days at a time and that better control of the present diversion canal from the Highwood River was needed. It was suggested that a new diversion project above High River, diverting part of the flow of the Highwood into the old channel, would solve the problem. The District Engineer, however, disagreed with this proposal, stating that what was needed, in the opinion of the Water Resources Branch, was a dam on the upper reaches of the Little Bow to impound the spring runoff waters. By controlled release of the water thus dammed, a steady flow could be maintained in the Little Bow during the summer and fall months without using any more of the Highwood flow than was being diverted at the present time. This would overcome the periodic shortage now being experienced by farmers at the lower end of the Little Bow who require water for stock watering and irrigation.

The Water Resources Board has requested the federal government PFRA to build such a dam and this project could be announced "in the near future". A survey indicates that farmers along the Little Bow would like to irrigate a total of 8,000 acres if water was available. The major obstacle appers to be the acquiring of valley land as a site for the dam.

Other points brought out at the meeting were:

- Little Bow irrigation permits are still being issued, but for not more than 60 acres to any one farmer. Farmers can now lose their irrigation licence if they use a larger size pump than is specified in their permit.
- The Town of Vulcan is guaranteed six cubic feet per second of water out of the Highwood River during the fall months, to be stored in the town's reservoir for human consumption. The Little Bow water course is used for moving this water.
- Except for water used for human consumption, the waters of the Highwood River are "earmarked" for the Eastern Irrigation District. A large and steady diversion of the Highwood into the Little Bow would not be allowed.
- The present canal from the Highwood to the Little Bow will be cleaned out and an effort made to release more water when it is needed.

High Average At University Gains Awards

Word has been received here that Brenton Nickerson has been awarded a University of Alberta First Class Standing Prize for obtaining an average of over 80% in his second year of Engineering at U.A.C.

He has also been awarded the Engineering Institute of Canada, Calgary Branch Scholarship of $100. At present Brenton is employed by Hudson Bay Oil and Gas Company at Olds.

He is the son of Mr. and Mrs. Kenneth Nickerson of Vulcan.

County Band Ends Season At Lethbridge "Ex"

Participation in the annual summer band camp and their appearance at the Lethbridge Exhibition on Monday morning of this week, brings to a close the 1964-65 season for the Vulcan County Band Association.

The band camp, held again at the Nazarene summer camp near Sundre, was an enjoyable mixture of music and outdoors fun for close to 200 students from many points in the province. Organized by Art Dee, bandmaster of the local group, the camp was extended to a full two weeks this year because of the heavy enrollment. Among the many Vulcan musicians there for one of the two periods were Randy and Laurie Steiner, Larry Graff, Brian Scobie, Ron Andrews, Jack Richardson, Darryl Bates, Carol Ann Thurber, Irene Sansons, Judy Haga, Marta Gottenberg, Sally and Susie Giles and Brian Scobie.

Many parents travelled to the camp last Sunday to hear the afternoon concert and bring their families back to prepare for the Monday parade in Lethbridge.

The band was out in full force for this parade and had extra help from five visiting musicians. Lloyd Jones, first president of the band, and his son Elgin, now of Camrose, were at the band camp and took a swing down this way to play with the Vulcan band, as did Don Sundberg and his daughter Donna of Carstairs. Playing alto horn with the band also was Sandra Mason of Calgary, who has played at other local functions with the band.

It was the longest parade the band has been involved in and as Alvie Jacobson said at its conclusion as he dabbed his face and head with a hanky, "That there's a far piece for the likes of us".

The remainder of July and August will be quiet months for the band but another season begins in September and parents interested in launching their youngsters into music should call band president Harry Washburn or any of the members.

All Crops Flourish In Ideal Growing Conditions

Expect for hail damage in a few areas of the county, the crop picture is generally bright. Reports received this week by the Advocate from 14 Alberta Wheat Pool agents throughout the county indicate that prospects for a better-than-average crop have seldom been better and if the crop is and harvest very good yields can and harvest very good yields can be expected of all grains.

There have been only scattered showers this past week, mostly in the eastern part of the county, with Milo, Queenstown and Arrowwood reporting about one-half inch of rain. At Vulcan it was .27, at Kirkcaldy .30, at Herronton .18, at Brant .40, at Carmangay .25, at Ensign .50, at Lomond .20.

Skies have been mostly sunny, with high temperatures in the 75 to 80 above range and little wind, giving ideal growing conditions. Wheat is practically all now in the shot blade stage, with a good percentage headed out.

Saxons were the leading miners in Europe during the 16th century.

Entrance Will Get Lights

Calgary Power Ltd. is now ready to proceed with the installation of mercury vapour lights at the highway entrance to town, members of the town council were advised at the regular July meeting last week. Negotiations with the Department of Highways have been completed and four lights will be installed on the east side of the highway and two lights on the west side. Total cost to the town will be $28.00 a month, based on $4 a month for each of the east side lights and $6 a month for each of the two lights within the town limits.

Business was light at the meeting. It was decided to ask a member of the Provincial Town Planning Board to meet with the town council sometime in the near future. A letter from Magistrate Harvie, who is being moved from his south circuit to a Calgary post, highly commended Police Chief J. L. Moyer for his "sensible police administration of the town of Vulcan."

Two building permits approved were:

Lawrence Orchard, for an 8x8 frame porch addition to residence; contractor, self; estimated cost $250.

W. R. Turley, for 22x24 frame garage; contractor Revelstoke Building Materials Ltd.; estimated cost $1,500.

A feature of the Elks July 1st Celebration that drew a good number of horse fans to the baseball grounds in the afternoon was the open gymkhana which included the usual variety of competitions plus a miniature bronc riding show by youngsters. Above an unidentified rider and Bob Barr are shown wheeling their mounts around the barrels in one of the gymkhana events.

Any time you get hundreds of children together at an affair such as the Elks July 1st Celebration, one or two young tykes will turn up lost. Although not to sure about the fellow behind the camera this young girl travelled happily around the grounds in the arms of Mrs. Howie Marshman until her mother was located. Then there followed a few tears suggesting that the wanderer knew she had done wrong.

Dugout Swimming Dangerous

Drownings at swimming holes by inexperienced swimmers add to the summer holiday death toll across the country and Vulcan could be the next point heard from.

In recent weeks town youngsters have been seen in the run-off dugout beside the town reservoir. In a group of four boys picked up at the pool, whose ages run from seven, eight, 13 and 14, only one was an adequate swimmer. This is a fair sized body of water running from 12 to 15 feet deep with steep banks.

The boys were taken to their parents, who were told of the danger involved.

The Vulcan Lions Memorial Swimming pool is open all day with qualified personnel on hand to supervise and make it a safe summer for local boys and girls and the Lions Club is prepared to assist financially any parents who cannot afford a swim ticket for their youngsters.

Parents are urged to impress on their children the dangers of wading or swimming in dugouts or sloughs. It would be unfortunate if a tragedy occurred before the perils of such unsupervised swimming could be impressed upon children through their parents.

CARDS OF THANKS

Thanks everyone who helped make open house on my 80th birthday such a happy occasion. Thanks for gifts, cards, telegrams and long distance calls. A special thanks to my daughters who made the occasion possible.
—Mrs. Julia Gower, Carmangay. 50-1p

I would like to extend my sincere thanks to all my friends and neighbors who so kindly called to congratulate me on the occasion of my 80th birthday. Thanks also for the cards, gifts and birthday cakes. Special thanks to Bernie and Jim for the open house which will be a treasured memory always.
—Ashley Foreman, Lomond. 1-x

IN MEMORIAM

McFADDEN— In loving memory of Robert John who passed away July 22, 1964.
The blow was great, the shock severe,
We little thought the end was near,
And only those who have lost can tell
The pain of parting without farewell.
More each day we miss you, brother.
Friends may think the wound is healed
But they little know the sorrow
That lies within our hearts concealed.
—Ever remembered by Mary and Don McDonald, Pat and Stan Comstock, Jim and Betty McFadden, Joe and Dorothy McFadden, Tom McFadden, Frances Golightly and Bernice Jeske and families. 50-1x

DURAND— In loving memory of our dear mother and grandmother, Mrs. Mary Durand who passed away July 20, 1960.
—We still miss you dear mother and ever remembered by your daughter Florence Hart and family, Lomond. 50-1x

ARMSTRONG— In loving memory of Earl, who passed away July 20, 1956.
He has gone across the river,
To the shores of evergreen,
And I long to see his dear face
But the river flows between.
Someday, sometime, my eyes shall see
The face I loved so well.
Someday I'll clasp his loving hand,
And never say farewell.
—Ever remembered and sadly missed by his wife, Alberta and family. 50-1p

MISS JOYCE McINTYRE HONORED AT SHOWER

A bridal shower was held in the United Church basement when about 60 friends gathered to honor Miss Joyce McIntyre.

A shower theme was in evidence with umbrellas and summer flowers decorating the bride's and gift tables. A beautifully decorated bride's cake enhanced the decorations.

Mrs. Martha Nelson acted as master of ceremonies for the evening.

A favorite recipe of each guest was presented to Joyce as a remembrance of the evening.

Miss McIntyre was then escorted to the table to receive the miscellaneous gifts which were presented to her by Miss Lynn McFarland of Lethbridge.

Assisting the bride in opening her gifts were her mother Mrs. W. E. McIntyre, sister-in-law Arlene, aunt Mrs. Sales of Vulcan, two nieces Brenda and Debbie McIntyre and Miss Lynn Green.

Miss McIntyre in a few well chosen words thanked the hostesses and many friends for the lovely shower.

Delicious lunch was served to conclude the evening.

LOMOND

BIRTHDAY CLUB

The July meeting of the Birthday Club was held at the home of Mrs. John Zuba. The meeting opened with the singing of, When You Wore a Tulip. Ten members answered roll call by giving a recipe for a salad or paying a fine.

A report on the club's trip to the Brook Horticulture Station was given. Jubilee committee representative reported that she had been unable to attend the last meeting, but gave a report on what she could regarding same, and said there would be another meeting Aug. 2. Suggestions for roll calls were accepted and plans to have the hostess lists typed were made. Two thank-you cards were read by the secretary.

There was very little new business to discuss at this meeting, but it was decided that the next meeting will be held at the home of Mrs. A. Berger, roll call will be that each of the members bring a pickle recipe. Mrs. C. Magella is in charge of the program and those on for lunch are Mrs. H. Lindstedt, Mrs. C. Magella and Mrs. A. Stanko.

Closing song was, Let's All Sing Like the Birdies. Mrs. J. Zuba won the nickle draw and there was no contest this month. A delicious lunch closed a pleasant afternoon.

CALGARY BREWING & MALTING CO., LIMITED APPOINTMENT

DENNIS STILES

R. A. Owen, Vice-President and General Manager of Calgary Brewing & Malting Co., Limited, is pleased to announce the appointment of J. Dennis Stiles as Public Relafions Representative for Southern Alberta.

Mr. Stiles attended Montana State University on a football scholarship, returning to Calgary's Mount Royal College to complete his education. He had several years sales experience before his recent move to Calgary Brewery. He is a member of the Elks Club, Royal Canadian Legion, Associated Canadian Travellers, Junior Chamber of Commerce, and Canadian Progress Club.

A tight squeeze is shown above as three of the nine boxcars which left the rails at Vulcan recently are pictured with their spilled contents of grain. Two emergency crews worked steadily following the accident to have the line cleared for regular traffic next evening.

By far the most popular spot on the grounds at the Elks July 1st Celebration was the refreshment booth where everything was "on the house" so far as children were concerned. Attendants like Roger Middleton, George Gooch, Mel Burgess and Dave Lebsack got the feeling that if the old saying "the army marches on its stomach" holds true a lot of these boys will make fine soldiers if their capacity for food follows their tendencies with ice cream. Jerry Steiner made three members of his family happy by bringing them in for the show and their trip to the ice cream stand. Above from left to right are Maria, Wanda and Pam.

KATHLEEN KNIVE SHOWER

Miss Kathleen Knive was guest of honor Tuesday, June 29 at a bridal shower held at the home of Nora Campbell sponsored by the Eastway Social Club. The room was decorated with large bouquets of summer flowers and pink and white streamers. Corsages were presented to the bridal party.

Thirty-seven friends and relatives enjoyed a very pleasant evening arranged by Clara Tharle and Ruby Wyatt. A scrap book was prepared by groups of ladies depicting Kathleen's life. This was presented to the bride-elect along with a very amusing story of the wedding written by Clara Tharle. At this time, the gathering was favored with two beautiful solos by Sandra Oldfield, Our Best To You and Love Is A Many Splendored Thing.

The bride-elect with her bridal party, Mrs. Ruby Knive, Mrs. Ingraham, Mrs. Richards, Mrs. Marion Flanders and Mrs. Louise Schmidt, were then seated at their places of honor. The gifts were brought in a decorated wheelbarrow by Hugh and Patti Lee Campbell dressed in appropriate costumes. Alberta Burgess presented the gifts to Kathleen with the best wishes from all present.

Kathleen very graciously thanked her many friends and extended a cordial welcome to all to visit them in their new home. A delicious lunch was then served by the hostesses.

PRUNING EARLY FLOWERING SHRUBS

Lilacs, honeysuckle and early flowering prunus species as well as most spiraea bushes should be pruned after they have finished blooming.

P. D. McCalla, Supervisor of Horticulture with the Alberta Department of Agriculture, recommends cutting-off old flower clusters to prevent the shrubs from producing seeds instead of flower buds for next year.

A great many flowering shrubs produce suckers which should be removed. Any growth which makes the shrubs take up too much room should also be removed at this time of year. If pruning is left until the fall or early next spring a certain percentage of next season's bloom will be removed because all these ornamental shrubs form their flower buds now.

Levona Lahd, Lake McGregor Race Meet County Queen is shown above following the parade Saturday, June 12, with her horse Sonny. This ordinary looking saddle horse was broke and trained by Levona, shocked everyone by taking the McGregor Derby in 1964 and a few hours following this photo Levona rode Sonny to a repeat win on the feature race of the meet. On July 1, she attended the Millarville Race Meet and brought Sonny home in front to win the Sam Kieran cup, this also for the second straight year.

The above float which took part in the Lake McGregor Race Meet parade Saturday, June 11, is self-explanatory. Girls from the Liberty Community Club were enacting a teen-age affliction but graciously mimicked their parts sparing onlookers the overworked guitars and amplifiers.

With Lake McGregor in the background three chuckwagon outfits stand ready at their barrel positions during one of the Friday night heats at this year's McGregor Race Meet. Here they don't throw in tent poles and stoves as at the Calgary Stampede nor do they have outriders but the size of the infield and track makes the races just as exciting for contestants and fans.
